His thumb out in the air

His head hung toward the floor  
That was me  
That was me

Singing on the sidewalk  
Guitar case on the ground  
He looked down on his luck  
So you threw him a buck  
That was me  
That was me

Remember back about five years ago  
Drivin down the highway  
Saw a kid there by the road  
Long blonde dirty hair  
His thumb out in the air  
That was me  
That was me  
That was me
