How did Camus really die that night?

We go drinking from time to time, and I find it gets harder every time.

Hey there Salinger, what did you do?

A Bm

Just when the world was looking at you

Bm D

To write anything that meant anything,

A **Bm**
 You told us you were through
Bm **D**
 And it's been years since you passed away,
A **Bm**
 But I see no plaque, and I see no grave
Bm **D** **A** **Bm**
 And I can't help believing you wanted it that way

Bm **D**
 And Vincent Van Gogh, why do you weep?
A **Bm**
 You were on your way to heaven but the road was steep
Bm **D**
 And who was there to break your fall?
A **Bm**
 We're guilty, one and all
Bm **D**
 And I don't know much, but I do know this:
A **Bm**
 With a golden heart comes a rebel fist
Bm **D** **A** **Bm**
 But I can't help agreeing with those that would not quit

Verse

Bm
 And it makes me sick when I think of it
Bm
 All my heroes that could not live with this
F#
 and I hope you rest in peace
Bm
 Because with us, You never did!
Bm
 And K.D.C., you were much too young!
Bm
 And you changed my life!
F#
 But I draw the line at suicide!
