Toe To Toe
Toh Kay

Capo 1.

[Verse 1]
```
        D                F#                      Bm      D
  Some - day you will grow up and learn to lie
 G                D                 A
  Just like your daddy did when he told you no one ever really dies
 D                        F#                     Bm      G
  I hope that I m not there when you re - a - lize
 D                       A                   G           D
  That those with their nose in the air will never look you in the eye
```

[Chorus]
```
               Bm        D
  And you will go toe to toe
        G          D
  Like David and Go - li - ath
F#                  Bm
  They will be Go - li - ath
 G                  D
  And will who throw the stone?
          Bm              D
  I don t know yes I don t know
          G                  D
  Said the man with all of the answers
F#                         Bm
  If he don t have the answers
 G               D
  How will I ever know?
```

[Verse 2]
```
    Bm           A
  I knew an old man
       G              D
  With nothing to do but wait
         D            A
  He in - vi - ted him - self
       G              D
  And he still showed up late
Bm                      A                    G          D
  When it came to the end of the night he would always over - stay
A                  G            Bm
  But I never had a reason to com - plain
A                  G                    D
```

Until the day he stopped coming by and I missed his company

[Chorus]

```
            Bm          D
  And you will go toe to toe
        G                 D
  Like David and Go - li - ath
F#                   Bm
  They will be Go - li - ath
  G                      D
  And will who throw the stone?
          Bm                 D
  I don t know yes I don t know
          G                     D
  Said the man with all of the answers
F#                      Bm
  If he don t have the answers
  G               D
  How will I ever know?
```

[Verse 3]

```
      G         D
  And I don t care
          A           Bm                 G
  What you do with the little time everyone gets
          D         A                         Bm
  As long as you do the math, choose a path that will never hurt anyone else
  G                 D         A             Bm
  Although they ll hurt you make them sure they burned you
  G         D     F#
  They will not forget

[Verse 4]

```
  D                   F#                  Bm    A  G
  Someday I will find you and stop on by
          G         D                   A
  And youâ€™ll say how ve you been, and Iâ€™ll say Iâ€™ve been fine
  D       F#                  Bm     A  G
  We will both know that it s a lie
  D                 A               G                   D
  Turns out what I figured out is I was wrong and you were right
```

[Chorus]

```
          Bm          D
  And you will go toe to toe
      G               D
  Like David and Go - li - ath
F#                    Bm
  They will be Go - li - ath
  G                       D
  And will who throw the stone?
          Bm                D
  I don t know yes I don t know
          G                    D
  Said the man with all of the answers
F#                    Bm
  If he don t have the answers
  G               D
  How will I ever know?
