[Intro]

**Am**

[Verse]

**Am** **Dm** **F**  
I don t know where the Sun goes every night, every night  
**Am** **Dm** **F**  
Or where the moon goes when it s light, when it s light  
**Am** **C** **Dm** **Am**  
I don t mind, As long as it s there in time  
**Dm** **F**  
Oh as long as they re there in time  
**Am** **E** **Am**  
I won t mind, I won t mind, I won t mind

**Am** **Dm** **F**  
No one knows where the soul goes, when we die, when we die  
**Am** **Dm** **F**  
Some say to nowhere, some will say the sky, to the sky  
**Am** **C** **Dm** **Am**  
It s all the same, But surely some will find it s strange  
**Dm** **F**  
But I prefer the mystery remains,  
**Am** **E** **Am**  
unexplained, unexplained, unexplained

[Chorus]

**C** **Dm** **F** **C**  
 Oh my God, I will hold my tongue and I ll breathe easily  
**C** **Dm** **F**  
 If anyone can say with any sort of certainty that there is  
**C**  
 something to believe  
**Am** **C**  
 Did you ever think that we d be 3 steps from the edge  
**Dm** **F** **G**  
 Contemplating awful things that thinking about the end  
**Am** **C**  
 Nobody mentioned that their pieces wouldn t fit  
**Dm** **F** **G**  
 You could rearrange them all you want but the puzzle it was rigged  
**Dm** **Am**  
 We swore we d never stray  
**E** **Am**  
 Right before we went our separate ways  
**Dm** **Am**  
 And now we re looking back,  
**E** **Am**  
 second guessing all the choices that we made

[Bridge]

(Hold out chords for A measure)

**C Dm F C** (x2)  
**C** **Dm** **F** **C**  
 Who d have thought we fought so long we started to sink?  
**C** **Dm**  
 Our enemies turned into friends our friends to enemies  
**F** **C**  
 and we sat somewhere in between  
**C** **Dm**  
 But I heard someone say they knew that someday that everything would fall

**F**                                  **C**  
into it s place and everything would be fine

**C**                                  **Dm**  
And I really truly honestly without a doubt want to believe that  
**F**                                  **C**  
everything will be alright

[Chorus]  
(no guitar until written)

Oh my God, I will hold my tongue and I ll breathe easily

**C**                                  **Dm**  
If anyone can say with any sort of certainty

**F**                                  **C**  
that there is something to believe

**Am**                                  **C**  
Did you ever think that we d be 3 steps from the edge

**Dm**                                  **F**                                  **G**  
Contemplating awful things that thinking about the end

**Am**                                  **C**  
Nobody mentioned that their pieces wouldn t fit

**Dm**                                  **F**                                  **G**  
You could rearrange them all you want but the puzzle it was rigged

(hold out chords)

**Dm**                  **Am**  
We swore we d never stray

**E**                                  **Am**  
Right before we went our separate ways

**Dm**                  **Am**  
And now we re looking back,

**E**                                  **Am**  
second guessing all the choices that we made
