

Your Day Will Come  
Toh Kay

[Intro]

A A# Dm A A# Dm  
G A#

[Verse]

Dm A# F  
A young lady leaves her mother  
F C  
With no one to love her  
A# F Dm  
To protect her from the world  
A# F  
And I have seen the monsters  
C  
That will haunt her  
A# F  
Thatll tear her all apart  
Dm C F  
And at her gravestone  
A# Dm  
We can remember  
C  
Just where we were  
F A#  
When we knew she would go  
Dm C F A#  
And I still remember the day that we left her  
Dm C A#  
And thats when she said that she knows  
A#m  
How it goes  
And we sang

[Chorus]

A# Dm  
Your day will come  
A# Dm  
Your day will come  
A# Dm A  
Your day will come  
A# Dm A  
And no matter what they say  
A# Dm G  
It wont matter if you pray or if you sin  
G A A#

Cause in the end

**Dm**

Its all the same

[Verse]

**Dm A# F**

Young man becomes a soldier

**C**

And he isnt much older

**A# F Dm**

Than a boy and thats a shame

**A# F**

They will lead him into battle

**C A# F**

And hand him a medal when he comes home rearranged

**Dm**

I have to say so

**F**

Of the man with the halo

**Dm**

He will obey

**F A#**

He will fall into place

**Dm C F A#**

Remember buy ribbons but never forgive them

**Dm C A#**

Shoulder the bulk of the blame

**A#m**

What a shame

And we sing

[Chorus]

**A# Dm**

Your day will come

**A# Dm**

Your day will come

**A# Dm A**

Your day will come

**A# Dm A**

And no matter what they say

**A# Dm G**

It wont matter if you pray or if you sin

**G A A#**

Cause in the end

**Dm**

Its all the same

[Harmonica/Melodica]

[Verse]

**Dm A# F**

If I only had a dollar

**C**

For every horror

**A#**

**F**

That befalls my fellow man

**Dm**

**A#**

**F**

Id never work another hour

**C**

But Id grow sour

**A#**

**F**

From the guilt and bitterness

**Dm**

**C**

**F**

The luck of the draw will

**A#**

Determine the fallen

**Dm**

**C**

**F**

**A#**

And everyone else will relax and move on

**Dm**

**C**

**F**

But what will you do when

**A#**

They come looking for you friend?

**Dm**

**C**

**A#**

I hope that youre brave, and youre strong

**A#m**

Through it all

And we ll sing

[Solo]
