

Love Is Dead  
Tokio Hotel

**Am**  
I hold your letter in my frozen hand  
**Am F**  
The last one is long  
**Em**  
as long as it burns  
**F**  
my look carries on.  
**Am**  
With every word another feeling dies  
**Am F**  
i m left here in the dark  
**Em**  
no memmories of you  
**F G**  
I close my eyes...

Refrão:

It s killing me.  
**Am Dm C G**  
we die when love is dead...

**Am F**  
the world in silence should  
**C G**  
forever feel alone  
**Am F**  
cause we are gone  
**C G**  
and we will never overcome  
**F**  
It s over now...

**Am**  
The vultures are waiting  
**Am**  
for what s left of us.  
**Am F**  
What can we take?  
**Em**  
it all has no worth  
**F**  
if we lose our trust.
