

**Phantomrider**  
**Tokio Hotel**

This song is really easy to play, honestly;

it consists of 3 chords; **Em G C**  
see, basic,

Note: USE MAINLY DOWNWARD STRUMS  
for authenticity xD

erm yeah, enough rambling;

**Em**            **G**  
Gas and blood  
**Em**                    **G**  
Is all I ve got  
          **Em**        **G**  
In you I trust  
          **C**  
The final exit s  
**G**  
Passin by  
          **Em**                    **G**  
The wheels run free  
**Em**        **G**  
Under me  
          **Em**            **G**  
It s you I feel  
          **C**                            **G**  
A million sparks are falling down  
          **Em**  
I turn the wheel around..

**Em**  
Kiss me  
          **C**  
Goodbye  
                          **G**  
Into the light  
                          **Em**  
Like a phantom rider  
                          **C**            **G**  
I m dying tonight  
                          **C**  
So dark and cold  
                          **G**  
I drive alone  
                          **C**            (hammer and stop 3/4 beats)

Like a phantom rider

**G**

Can't make it all on my own

**Em**

Promises

**G** **Em**

I scratched so deep

**G** **Em**

In your empty seat

**C** **G**

The sky is turning upside down

**Em**

I turn the wheel around

**Em**

Kiss me

**C**

Goodbye

**G**

Into the light

**Em**

Like a phantom rider

**C** **G**

I'm dying tonight

**C**

So dark and cold

**G**

I drive alone

**C**

(hammer and stop 3/4 beats)

Like a phantom rider

**G**

Can't make it all on my own

**C**

I don't know your name

**G**

But still I believe

**Em**

Now it's the time

**C**

For you and me

**G** **Em**

Time for you and me

**C G Em** x2

**C**

Now I'm here

**G**

No more fears

**Em**                    **G**  
Angel, don't you cry

**C**  
I'll meet you on the other side

(no strumming ;D)

**C**  
Goodbye

**G**  
Into the light

**Em**  
Like a phantom rider

**G**  
I'm dying tonight

**C**  
So dark and cold

**G**  
I drive alone

**C**  
Like a phantom rider

**G**    **Em**  
Can't make it all on my own

**C G Em** x2

(Hey!)

**C**                    **G**  
I'm here with you

**C**            **G**  
I am here, here

**G**                    **Em**  
Leave me alone

**C**    (stop strumming)  
Phantom rider

**G**  
Always die on their own

I hope you liked my interpretation
