

Swedes In Stockholm
Tokyo Police Club

Repeat G and C (just E, A, and D strings) for first and second verse

You know you should
 â€™cause itâ€™s been a while
 and every Swede in Stockholm thinks
 youâ€™re in his right

It is in my blood
and my guilty smile
in my school of thought we like to try and
call it out

Em C Am
I won't be here for long
C Am
I'm leaving in a while
Em C Am
this could be my very last song
Am C
but if I'm leaving, I am leaving in style

Repeat G and C (all strings) for 3rd and 4th verse

you go out at night
in the witching hour
I donâ€™t drive a car but I run pretty fast
just like my dad

I didn't wear my seat-belt
 'cause someone told someone else
 that every bounty-hunter in the world is out to get me
 I gotta watch my step, yeah

Em **C** **Am**
 I wonâ€™t be here for long
 C **Am**
 Iâ€™m leaving in a while
Em **C** **Am**
 this could be my very last song
 Am **C**
 but if Iâ€™m leaving, I am leaving in style
