Verse 1:
```
F#                    Ebm
  I slowly started chipping
            Bbm            G#
away at this block of stone
                 F#      Ebm
in an attempt to fashion   a
                    Bbm
way to regain your attention
G#                       F#
  why won t you hear me out?
                    Ebm
I started out with some paper
              Bbm     G#
and pen and my apologies
but every time I try
   F#          Ebm
```

to write to you
I just can never find
    Bbm   **G#**
the words to explain

Chorus 1:
                C#   **Bbm**
so I ll build a monument to honor you
            C#   **Bbm**
out of the ruins of the love I knew
                    C#
I ll turn your favorite memories
        Bbm
into a sight for all to see
                                Ebm
because I know when you see
                        F#
it you ll come back to me

Interlude:
```
e|-1h4p1---1h4p1------------------|
B|-------------------2---4-2-1-2-|
G|-------3-------3--3---3---------|
D|-------------------------------|  x4
A|-------------------------------|
E|-------------------------------|
```

Distortion: F#--Ebm--Bbm--G#--

Verse 2:
F#
  picked me up the phone and I
 Ebm
started to dial your
        Bbm   **G#**
line from memory
too proud to ever
        F#   **Ebm**
let you pickup
close to the point
              Bbm   **G#**
where I should give up
you ll never call me back
F#   **Ebm**
  so now I m doing something tangible
            Bbm
I m working with my hands
G#   **F#**
  because I can never seem to manage

```
Ebm                             Bbm
     to say I m sorry in a language
                   G#
you can comprehend

(Repeat Chorus 1)

Bridge:
Fm F#
       I ll put it right
outside your window
Fm F#
       so it s impossible to ignore
Fm F#
       will that be good enough
     Fm   F#      B
for you? (for you)
Fm F#
       and even if you pulled
your shades down
Fm F#
       and burn the statue
to the ground
Fm F#
        it ll be enough to bring
       F#
your warmth back to me

Chorus 2:
   C#
a monument to honor you
out of the ruins of the love I knew
I ll turn your favorite memories
into a sight for all to see
                                 Ebm
because I know when you see
                           F#
it you ll come back to me

Chorus 3:
            C#                  Bbm
building a monument to honor you
          C#                  Bbm
out of the ruins of the love I knew
                 C#
I ll turn your favorite memories
        Bbm
into a sight for all to see
                                 Ebm
```

because I know when you see
                              F#
it you ll come back to me

Outro:
              F#
come back to me

Fm--F#, Fm--F#--C#(hold)
