Em **C**
the damage is done,
G
theyâ€™ve finally won,
D **Em**
caught in a cross fire i didnâ€™t start,
C **G** **D** **Am**
spiraling down, i cant see the ground, im falling apart,
Em
its too late,
Cadd9 **D**
you canâ€™t fight fate, alone

EM **C** **G** **D**
i need, you here beside me,
EM **C** **G** **D**
i cant face this on my own,
EM **C** **G** **D**
youâ€™ll keep me here, keep me fighting strong
Am7
â€™till the break of dawn,
Cadd9
â€™till the fear is gone,
Em **C**
just carry me onâ€|
G **D**
carry me on

Em
feeling betrayed,
C
a debt left unpaid,
G **D**
promises broken from the start,
Em **C**
standing outside as our two worlds divide
G **D**
theyre falling apart,
Am **Em**

its too late,

Cadd9

you cant fight fate,

D

anymoreâ€|

EM C G D

i need, you here beside me,
