Dreamer s Dream

Tom Cochrane

**Em**///D(**F#**)///G///D(**F#**)///**Em**

Verse 1:

[**Em**]If I [**D(F#)**]was **A** [**G**]sailor [**D(F#)**]man,  
[**Em**]if I [**D(F#)**]was lost at [**G**]sea. (bass notes **G**, **F#**, **E**)  
[**Em**]I d see your [**D(F#)**]light shining there,  
[**G**]off the rocks, [**D(F#)**]off the sand,  
[**C**]That light would be [**D**]all that I d [**G**]see. (bass notes **G**, **F#**, **E**)

[**Em**]And if I [**D(F#)**]was the [**G**]king of the [**D(F#)**]world,  
[**Em**]With all the [**D(F#)**]world to set [**G**]free. (bass notes **G**, **F#**, **E**)  
[**Em**]You **D** be the [**D(F#)**]one there to [**G**]force my hand, [**D(F#)**]to make **A** stand,  
[**C**]Give me that [**D**]sweet re[**G**]lease.

Chorus:

(bass notes **G**, **B**, **C**)  
[**C**]Those are the [**G** (**B**)] dreams that a [**Am**] dreamer [**G**]dreams,  
[**C**]Those [**G**]are the [**D**]dreams that he [**G**]dreams.  
[**C**]Fill you [**G(B)**]up so high, so [**Am**]high you wouldn t come [**G**]down,  
[**C**]Those [**G/B**]are the [**D**]dreamer s [**G**]dreams.

Verse 2:

If I could see in you all the things you want me to,  
And if I could walk a mile in your shoes.  
An old cliché, anyway, but if you could just do the same  
There s nothing we couldn t do.

Surround you with a light so bright you wouldn t come down  
Surround you with a silver crown  
Fill you up so high, so high you wouldn t come down  
Those are the dreamer s dreams.

Repeat chorus 2 times.
