

When Angels Come
Tom Felton

I m not so sure about this. I love Tom Felton s music and I hate how there aren t any tabs or chords for this so I tried to figure it out... It sounds pretty acurate so, yeah.

C#

Your lips, your skin, your eyes, your hair
you dont need no touching up. I dont really care

G#

for anything that covers up your beauty

C#

cause what God gave you, gorgeous girl, is what will suit me.

G#

And no diamond rings, necklaces and bangles.

C#

Dont look twice in the mirror, girl,

Youre great from all angles.

G#

C#

G#

And when the angels come to take me from this world that I was born in,

C#

G#

C#

G#

Ill say, None of you look half as good as my girlfriend in the morning.

C#

G#

And when angels come to take me from this world

C#

G#

C#

Ill say, None of you look half as good as my girl.

C# - G#, C# - G#

G#

So wake up my sweetness, you know that its true,

C#

make-up was designed for other girls to try and look like you.

G#

For my gorgeous, my words no longer cautious,

C#

palm mute

C#

youâ€™re like a bottomless pit, completely flawless.

G#

So watch me free falling head over heart.

C#

Without doubt, the most beautiful piece of art.

G#

C#

So when my days are through,

Eb Ebsus4

I can say it was all for you.

PLUCKING

C#

G#

C#

G#

When the angels rip my face from this planet,

C#

G#

C#

theyll ask me where my heart is and Ill say,
