```

```
            D7              G
40 years we labor on this chain
C               G             D
Workin  much too hard for what we gain
G           D7              Em
You and I, we taste the bitter end
G           D7              G
Workin  40 years for another man
```

Verse 2:
Got no name, just a number in the book
Friendly faces hide the royal look
Nothin down on you, it s such a shame
Workin 40 years for another man

```
CHORUS:
C           G           C
 40 years 40-- long long years
G
 Give the man your blood and sweat and tears
                D7          G
Cash your check on Friday afternoon
C           G               D
Sunday night your money s gone too soon
G           D7          Em
For your children, will it be the same?
G       D7              G
Workin  40 years for another man
```

(instrumental, same pattern as verses)
