

Did Trouble Me
Tom Jones

G D/F# Em Bm
When I close my eyes, so I would not see,
D G D
My Lord did trouble me.

G D/F# Em Bm
When I let things stand that should not be,
D G D
My Lord did trouble me.

Bm
Did trouble me,

G
With a word or a sign,

G D/F# Em Bm
With a ring of a bell in the back of my mind.

Bm
Did trouble me,

G
Did stir my soul,

G D/F# Em D
For to make me human, to make me whole.

G D/F# Em Bm
When I slept too long and I slept too deep,
G D/F# Em D
Put a worrisome vision into my sleep.

G D/F# Em Bm
When I held myself away and apart,

G D/F# Em D
And the tears of my brother didn't move my heart.

Bm
Did trouble me,

G
With a word and a sign,

G D/F# Em Bm
With a ringing of a bell in the back of my mind.

Bm
Did trouble me,

G
Did stir my soul

G D/F# Em D
For to make me human, to make me whole.

G D/F# Em Bm
And of this I'm sure, of this I know:

D G D
My Lord will trouble me.

G D/F# Em Bm
Whatever I do, wherever I go,

D **G** **D**
My Lord will trouble me.

G **D/F#** **Em** **Bm**
In the whisper of the wind, in the rhythm of a song

D **G** **D**
My Lord will trouble me.

G **D/F#** **Em** **Bm**
To keep me on the path where I belong,

D **G** **D**
My Lord will trouble me.

Bm
Will trouble me,

G
With a word or a sign,

G **D/F#** **Em** **Bm**
With the ringing of a bell in the back of my mind.

Bm
Will trouble me,

G
Will stir my soul,

G **D/F#** **Em** **Bm**
For to make me human, to make me whole.

G **D/F#** **Em** **D**
To make me human, to make me whole.
