

Not Responsible

Tom Jones

E **A**
I m not responsible, not responsible
Am **E**
For anything I do when I m with you
E **A**
I m not responsible, it s impossible
Am **E**
To be so very near and not feel part of you

E
You ve got such a hold on me
A **E**
You make it seem so easy, but it s true, oh yeah
E
I get such a happy feeling
B **E**
Knowing that you feel the same way too

E **A**
I m not responsible, not responsible
Am **E**
When you can make a man do what you want him to
E **A**
I m not responsible, it s impossible
Am **E**
To be so very near and not know what to do

E
You got such a hold on me
A **E**
You make it seem so easy but it s true, oh yeah
E
I get such a happy feeling
B **E**
Knowing that you feel the same way too
