E **F#m** **E** **F#m**
Standing on the corner watching all the pretty girls go by.
E **F#m** **E** **F#m**
And I m trying to play it so cool as I m tryin to catch their eyes.
E **F#m** **E** **F#m**
And I know sometimes my wandering eye has brought some rain Ooo baby
E **F#m** **E** **E7 E**
So I m standing out here on this corner trying to find the words to explain

Bsus2 A **E** **E7 E**
A pretty girl s like a flower, you just gotta stay close to
Bsus2 A **E** **E7 E**
They come and go like the hour. What s a guy to do?
F#m A **E** **E7 E**
But when it comes to forever, you know my heart is true
F#m A **E**
Of all the pretty flowers baby I picked you

E **F#m** **E** **F#m**
Many blossoms line the streets a thousand colors that I could choose
E **F#m** **E** **F#m**
And I m trying to imagine the taste of all the petals I must refuse
E **F#m** **E** **F#m**
And I know there s nothing I can say to ease your mind, but i ll try
E **F#m** **E** **E7 E**
The days I spend here on this corner are all just passin time

Bsus2 A **E** **E7 E**
A pretty girl s like a flower, you just gotta stay close to
Bsus2 A **E** **E7 E**
They come and go like the hour. What s a guy to do?
F#m A **E** **E7 E**
But when it comes to forever, you know my heart is true
F#m A **E**
Of all the pretty flowers baby I picked you

E **F#m** **E** **F#m**
And I know there s nothing I can say to ease your mind, but I ll try.
E **F#m** **E** **F#m**
The day s I spend here on this corner are all just passin time.

Bsus2 A **E** **E7 E**

A pretty girl s like a flower, you just gotta stay close to

Bsus2 A E E7 E

They come and go like the hour. What s a guy to do?

F#m A E E7 E

But when it comes to forever, you know my heart is true

F#m A E

Of all the pretty flowers baby I picked you

Standing on the corner watchin all the pretty girls go by
