

**Never Met You**

**Tom Law**

I decided to submit this tab so that people could change the key of the song and change

it around a bit to make it easier to play/sing/etc.

I do not own these chords and I've simply copied them from Tom's original music video's

description to this song from YouTube.

(<http://www.youtube.com/watch?v=es5NX9xNC44>)

(Apologies if any of these chords are in the wrong place, as I said, I've simply copied

this but it's easy to figure it out by ear. Link is above.)

**G**

I've never met you, but we speak every day on the phone

**D**

I totally get you, you're not here but I never feel alone

**Bm**

I constantly text you, it's crazy, but who would have known

**A Bm, A, G**

that you fit me, and I fit you

**G**

I look at your photos, clicking through your albums, almost every day

**D**

It sounds so creepy, but I know that you feel the same way,

**Bm**

I get so sleepy, video chatting every night so late

**A Bm, A, G**

cus you fit me and I fit you

**G**

I'm falling, I'm falling, how can I miss you

**D**

I'm falling, I'm falling, never even kissed you

**C**

I'm falling, I'm falling, I know that you feel it too

**A Bm, A, G**

cus you fit me and I fit you

**G**

You make me laugh more, than a kid hitting his dad in the nuts,

**D**

with you I'll never be bored, and I guess I've never felt so in love,

**Bm**

but how can we be sure, it's real until our fingers touch

**A Bm, A, G**

but you fit me and I fit you

**G**

I love the way we tell each other everything,

**D**

If ever I am sad I know that on the phone you will sing

**Bm**

and we met on the internet but I couldn't care less what people think

**A Bm, A, G**

cus you fit me and I fit you

**G**

I m falling, I m falling, how can I miss you

**D**

I m falling, I m falling, never even kissed you

**C**

I m falling, I m falling, I know that you feel it too

**A Bm, A, G**

cus you fit me and I fit you

**Em**

You re not answering and it s getting late

**G**

the distance between us is like a heavy weight

**C**

and I wish I had super powers with a long red cape

**A Bm, A, G**

so you could be with me and I could be with you

**Em**

cus you re my best friend even though we ve never met

**G**

you can have a heatwave while the rain is getting me all wet

**C**

and I guess I wanted to tell you that I m not going to let

**A Bm**

a kazillion trillion miles stop us C D

but I wish I didn't have to say that in a text

**G**

I m falling, I m falling, how can I miss you

**D**

I m falling, I m falling, never even kissed you

**C**

I m falling, I m falling, I know that you feel it too

**A Bm, A, G**

cus you fit me and I fit you

**G**

We re falling, We re falling, how can I miss you

**D**

We re falling, We re falling, never even kissed you

C

We re falling, We re falling, I know that you feel it too

**A Bm, A, G**

cus you fit me and I fit you, you fit me and I fit you

**G, D, C, G**
