

2Nd Law

Tom McRae

Em: x79987

C: x35553

G: 355433

D: x57775

Am: 577555

Intro:

Em C Em C
Tell all my friends, I have gone to the moon

Em C Em C
Tell all my friends, I will write them soon

Em C
And tell them

Em C
If you see them

G D C
That I am better left alone

G Am C
cos I m living up here where the air is thin

G Am C
And where gravity don t bring you down

G Am C
I m living up here and I m watching your

G D C
Universe cooling down

Em C Em C
I spend my days beneath a perspex dome

Em C Em C
I think that I have finally come home

Em C
So tell them

Em C
If you see them

G D C
That I am better left alone

G Am C
cos I m living up here where the air is thin

G Am C
And where gravity don t bring you down

G Am C
I m living up here and I m watching your

G D C
Universe cooling down

Yeah **G** **Am** **C**
Yeah I m living up here where the air is thin
 G **Am** **C**
And where gravity don t bring you down
 G **Am** **C**
I m living up here and I m watching your
G **D** **C**
Universe cooling down
