

Bloodless

Tom McRae

Can't believe this song hasn't been tabbed before! It's a truly amazing song, one of which I frequently cover. This is my first tab I've banged up on here - pretty big stuff - haha, so dunno if it's completely accurate, but it sounds fine to sing to and with the recording:

Tom Mcrae - Bloodless

(1st verse: hit strings once per chord " let ring)

G C
This train don't stop, at the stations of the cross
G C
No reasons left to believe
G C
You try to stay awake, gave yourself a caffeine headache
G C (let ring)
To hide the taste of sleep

(2nd verse: strum every chord. Listen to recording for exact rhythm)

G C
In choosing to forget you cut away the safety net,
G C
that holds your heart, holds your heart
G C
And you go in search of youth, touching up your empire roots
G C
But these days, we don't know how to march

(pre-chorus: strong, single strum for each chord " let ring)

Am C
Satisfied with a knife in your spine
D (strum out)
You're bloodless

(Chorus: strum away)

G C G
So tell me again what am I feeling you know me so well
C G C
So what am I feeling and how can you tell, I've got a feeling
D (strum few times, then let ring)
You don't know

We think that we're the ones
We're the bright unconquered suns

G C

Wait a while, we'll watch the light grow stale

G

And we smell so very clean

C

But we're the oil in this machine

G

And this machine

C

This machine is going wrong

Am C

So choose your sides when it comes to the fight

D

You're bloodless

(Chorus)

G C G

So tell me again what am I feeling you know me so well

C G C

So what am I feeling and how can you tell, I've got a feeling

D

You don't know

(Bridge)

Am C D

You choose your side but in the fight I see your blood run white,

D

Your blood run white

Am C D (let ring)

And I- ve seen it all before|

G

and I see it again

G C G

So tell me again what am I feeling you know me so well

C G C

So what am I feeling and how can you tell, I've got a feeling

D

You don't know

G C G

So tell me again what am I feeling you know me so well

C G C

So what am I feeling and how can you tell, I've got a feeling

D

You don't know

G C G

So tell me again what am I feeling you know me so well

C G C

So what am I feeling and how can you tell, Iâ€™ve got a feeling

G (let ring)

You donâ€™t know

Hope it helps.
