I Aint Scared Of Lightning
Tom McRae

F#
I ain t scared of lightning
C#
Come on and do your worst
B
If they gave degrees
G#m
For cheating destiny
C#
Then man
F#
I got a first

(exact same chords throughout the song)

No, I ain t scared of lightning
It s the same old empty threat
I ve been standing proud
Beneath the gathering cloud

And man
I ain t dead yet

No I ain t scared of lightning
And thunder never killed
I was born in a summer storm
I live there still

Yeah, I was born in a summer storm
I live there still
