

I Aint Scared Of Lightning

Tom McRae

A

I ain t scared of lightning

E

Come on and do your worst

D

If they gave degrees

Bm

For cheating destiny

E

Then man

A

I got a first

(exact same chords throughout the song)

No, I ain t scared of lightning

It s the same old empty threat

I ve been standing proud

Beneath the gathering cloud

And man

I ain t dead yet

No I ain t scared of lightning

And thunder never killed

I was born in a summer storm

I live there still

Yeah, I was born in a summer storm

I live there still
