I Aint Scared Of Lightning Tom McRae

Α I ain t scared of lightning Е Come on and do your worst D If they gave degrees Bm For cheating destiny Е Then man Α I got a first (exact same chords throughout the song) No, I ain t scared of lightning It s the same old empty threat I ve been standing proud Beneath the gathering cloud And man I ain t dead yet No I ain t scared of lightning And thunder never killed I was born in a summer storm I live there still Yeah, I was born in a summer storm I live there still
