Still Lost

By Tom McRae

Right, to be quite honest there should be no tab for this because it s a plinky piano number and there s no geetar on it... Therefore I ve just put the chord voicings in and am letting you make up your own mind how to arrange it. Yeah, he deviates round the chords and such but because it s on piano it s really hard to write them all down.

So, my love, I left this world for a while, for a while

C **F**
I float through strange days, search the one way to

C
Bring me back to you

Am **G**
So don t let me go, don t let me go

Am **G**
Don t let me go from here

F **C** **F** **C** **F** **C**
Cos I ll be still lost, I ll be still lost, I ll be still lost

Am **F** **C**
When you come, when will you come to look for me?

F **C**
And if I was to call you, would you come?

F **C**
And if I was to call you, would you come?

Am **F** **C**
Oh, my love, when will you come to look for me?

When you come, why don t you come to look for me?

Yeah not the best I m afraid but when there s no guitar on it, what s a man
to do... Any banter (though no women drivers please) to ihateibiza@hotmail.com
