

The Ballad Of Amelia Earhart
Tom McRae

F **Am** **Bb**
Hey there, Amelia Earhart

F **Am** **Bb**
Queen of all the skies

F **Am** **Bb**
When you gonna fly that plane of yours

F **Am** **Bb**
Back through time?

F Am Bb
With the timing of a comet

F Am Bb
You ll be back around

F Am Bb
We ll make bright light of it

 F Am Bb
Like you never left the ground

F Am Bb
 And I ll be waiting
F Am Bb
 With my eyes on the clouds
F Am Bb
 And I ll be waiting
F Am Bb
 For you to come down

F Am Bb
I gave you a silver angel

F Am Bb
From this place in Amsterdam

F Am Bb
And the days they fly so quickly

F Am Bb
I can t hold them in my head

F Am Bb
And I ll be waiting
F Am Bb
With my eyes on the clouds
F Am Bb
And I ll be waiting
F Am Bb
For you to come down
F Am Bb
For you to come down

F Am Bb

For you to come down

F Am Bb

For you to come down

F Am Bb

Amelia, now I m still waiting

F Am Bb

With my eyes on the clouds

F Am Bb

And I ll be waiting

F Am Bb

For you to come down

F Am Bb

Why don t you come down?
