

The Ballad Of Amelia Earhart
Tom McRae

Eb **Gm** **G#**
Hey there, Amelia Earhart
Eb **Gm** **G#**
Queen of all the skies
Eb **Gm** **G#**
When you gonna fly that plane of yours
Eb **Gm** **G#**
Back through time?

Eb **Gm** **G#**
With the timing of a comet
Eb **Gm** **G#**
You ll be back around
Eb **Gm** **G#**
We ll make bright light of it
Eb **Gm** **G#**
Like you never left the ground

Eb Gm G#
And I ll be waiting
Eb Gm G#
With my eyes on the clouds
Eb Gm G#
And I ll be waiting
Eb Gm G#
For you to come down

Eb **Gm** **G#**
I gave you a silver angel
Eb **Gm** **G#**
From this place in Amsterdam
Eb **Gm** **G#**
And the days they fly so quickly
Eb **Gm** **G#**
I can t hold them in my head

Eb Gm G#
And I ll be waiting
Eb Gm G#
With my eyes on the clouds
Eb Gm G#
And I ll be waiting
Eb Gm G#
For you to come down
Eb Gm G#
For you to come down

Eb Gm G#

For you to come down

Eb Gm G#

For you to come down

Eb Gm G#

Amelia, now I m still waiting

Eb Gm G#

With my eyes on the clouds

Eb Gm G#

And I ll be waiting

Eb Gm G#

For you to come down

Eb Gm G#

Why don t you come down?
