The Ballad Of Amelia Earhart Tom McRae

G Bm C

Hey there, Amelia Earhart

G Bm C

Queen of all the skies

Bm C

When you gonna fly that plane of yours

G Bm C

Back through time?

G Bm C

With the timing of a comet

Bm C

You ll be back around

G Bm C

We ll make bright light of it

G Bm C

Like you never left the ground

G Bm C

And I ll be waiting

G Bm C

With my eyes on the clouds

G Bm C

And I ll be waiting

G Bm C

For you to come down

G Bm C

I gave you a silver angel

G Bm C

From this place in Amsterdam

G Bm C

And the days they fly so quickly

G Bm C

I can t hold them in my head

G Bm C

And I ll be waiting

G Bm C

With my eyes on the clouds

G Bm C

And I ll be waiting

G Bm C

For you to come down

G Bm C

Amelia, now I m still waiting

G Bm C

With my eyes on the clouds

G Bm C

And I ll be waiting

G Bm C

For you to come down

G Bm C

Why don t you come down?
