[Verse]
     C#m
it s time to kill the king,
it s written in the scripture.
                  C#m
see what tomorrow brings,
got to get a bigger picture.
      C#m
so forgive me, forgive me,
for i am born to be what i must be
and i must be
[Chorus]
the boy with the bubblegun,
             C#m
I m taking aim.
        Α
I cannot hit to hurt,
             C#m
or cause you pain .
if words could kill ...
i d spell out your name
i m the boy with the bubblegun,
                 C#m
the boy with the bubblegun,
i m the boy with the bubblegun,
             C#m
with work to do
               Α
if songs could kill ...
               C#m
this one s for you.
