B **F#** **Bb**
You took my hand in the cinema
B **F#** **Bb**
You threw it on the back seat of your car
B **F#** **Bb**
You took my heart, it made me calm
B **F#** **Bb**
You found the hand and put my heart in its part

B **F#**
You said you needed all of me
Bb **Ebm**
and that was fine
B **F#**
So I gave you all of me
Bb
all of the time
B **F#**
You said you needed all of me
Bb **Ebm**
and it s a fact
B
But now you ll never give me back

An abstract sphere at living in the streams

A nothing person drifting to the sea
B **F#** **Bb**
Another envelope of flesh for you
B **F#** **Bb**
Another empty carcass fresh for you

B **F#**
You said you needed all of me
Bb **Ebm**
and that was fine
B **F#**
So I gave you all of me
Bb
all of the time
B **F#**
You said you needed all of me
Bb **Ebm**
and that s a fact

B **F#** **Bb**
And now you ll never give me,
Ebm
Never give me back

B **F#**
You said you needed all of me
Bb **Ebm**
and that was fine

B **F#**
So I gave you all of me
Bb
all of the time

B **F#**
You said you needed all of me
Bb **Ebm**
and it s a fact

B
