This was figured out and written by <http://kirsteapotts.tumblr.com> and I kinda stole them when I made this and you should visit her blog because she s cool and I m sorry.

**F** **Bb** **F**

I donâ€™t know how to talk to you

**F** **Bb** **C**

All of the things Iâ€™ve put you through

**Dm** **F** **Bb** **F** **C**

All of the wonderful things weâ€™ve seen â€˜til now

**Dm** **Bb** **C**  
Will take us to right where we started out somehow

**Dm** **F**  
And itâ€™s alright

**C** **Bb** **Dm**  
After all the nightmare battles weâ€™ve endured

**Dm** **F**  
And Iâ€™d like

**C** **Bb**  
After all of this for you to be assured

**Bb** **F** **C** **Dm**  
When youâ€™re tired of the gruelling realm we roam

**F** **C** **F**  
Itâ€™s time for us to go home

**F** **Bb** **F**  
Once we were like a team of two

**F** **Bb** **C**  
You loved the things I made for you

**Dm** **F** **Bb** **F** **C**  
It would feed you, sustain you and give you a headstart

**Bb** **F** **C**  
And slowly youâ€™ve starved and weâ€™ve climbed ourselves apart

**Dm F**  
But weâ€™ll be fine

**C Bb Dm**  
If we take the path that everybody takes

**Dm F**  
Weâ€™ll be fine

**C Bb**  
We can learn from all the previous mistakes

**Bb F**  
Iâ€™m just glad

**C Dm**  
Iâ€™m not doing this alone

**F C F**  
And youâ€™ll always be here to take me home  
(I have no idea what the exact chords are for this next bit but I know how to make it work)

(I donâ€™t know sorry)  
Donâ€™t worry about me

**Dm F**  
Iâ€™ll be fine

**C Bb Dm**  
Let me go out of sight, itâ€™s ok

**Dm F C**  
Iâ€™ll call back, call you up

**C**  
Let you know if thereâ€™s a way

**Dm F C Bb**  
But if youâ€™d rather I didnâ€™t phone

**Bb**  
Well thatâ€™s ok

**C Dm**  
Iâ€™ll see you when I get home

(Idk the end but I just use this): **Dm F C Bb Dm C F**
