

Best Of Friends
Tom Odell

*play the first G chord in the (G C G) and (G G C) riffs as a full G chord in order to make it sound like how it does on the piano. To play a full G chord, position your fingers in a normal G chord position with the addition of placing your 3rd finger on the B string, 3rd fret. The second G of the riffs is played normally. It should be played as: (full G)/C/G and (full G)/G/C.
