

## Concrete

Tom Odell

**Bm A D G**

Got me in my hotel room

**Bm A D G**

More pillows I could ever use

**Bm A D G**

I think they call it luxury

**Bm Em Em F#7**

But it doesn't make a difference to me

**Bm A D G Bm A**  
Cause I'd sleep on a bed that's made of concrete

**D G Bm A**

Just the two of us and no sheet

**D G Bm A D G**

Just your feet rubbing up against mine

**Bm A D G**

Staring at the picture on the wall

**Bm A D G**

Yeah it's pretty clever but, it's got no soul

**Bm A D G**

Show me a masterpiece

**Bm Em Em F#7**

And it wouldn't make difference to me

**Bm A D G Bm A**  
Cause I'd sleep on a bed that's made of concrete

**D G Bm A**

Just the two of us and no sheet

**D G Bm A D G**

Just your feet rubbing up against mine

**Bm A D G**

Oh rubbing up against mine

**Bm A D G**

Oh rubbing up against mine

**Bm A D G**

Oh rubbing up against mine

**Em A**

I sit on these aeroplane's

**D Dmaj7 Bm**

But I just wanna walk

**Em A**

Play me these symphonies

**D Dmaj7 Bm**

But I just wanna talk

**Em A**

So baby won't you come back

**Em** **F#7**

Oh I need something real

**Bm** **A** **D** **G** **Bm** **A**  
I'd sleep on a bed that's made of concrete

**D** **G** **Bm** **A**  
Just the two of us and no sheet

**D** **G** **Bm** **A** **D G**  
Just your feet rubbing up against mine

**Bm** **A** **D** **G** **Bm** **A**  
I'd sleep on a bed that's made of concrete

**D** **G** **Bm** **A**  
Just the two of us and no sheet

**D** **G** **Bm** **A** **D G**  
Just your feet rubbing up against mine

**Bm** **A** **D G**  
Oh rubbing up against mine

**Bm** **A** **D G**  
Oh rubbing up against mine

**Bm** **A** **D G**  
Rubbing up against mine

**Bm** **A** **D G**  
Rubbing up against mine
