Tom Odell

[Primeira Parte]

```
Am        G       C/E      F
Take my mind and take my pain
          Am      G    C/E        F
Like an empty bottle takes the rain
     Am G/B    F/C C    C/E      F
And    heal,      heal,    heal, heal

Am        G        C/E      F
Take my past and take my sins
          Am      G   C/E        F
Like an empty sail takes the wind
     Am G/B    F/C C    C/E      F
And    heal,      heal,    heal, heal
```

```
        G       C     F/D
And tell me some things last
        G       C     F/D
And tell me some things last
```

Like an empty bottle takes the rain
