Here I Am
Tom Odell
[Intro] C D C D
       C D C D
I thought I was over you
I put out the flame
Said tonight we ll be different
             В
I d wouldn t need to play your games
I walk past your tower block
Saw a flick in the blinds
I said tonight I ll be different
And that I won t come back
But here I am
Running up the seventh Floor
Knock on the eleventh door
I ma sick of trying
Bm
I ma sick of trying
                            CDC
Baby couldn t love me some more
                            CDCD
Baby couldn t love me some more
I told myself I was in prison love
And I ve broken my chains
But I could be anyone
I d run a thousand miles away
But I imagine America
```

somewhere else far

```
C
Some place where these memories
They couldn t cut my heart
But here I am
Running up the seventh Floor
Knock on the eleventh door
I ma sick of trying
Bm
I ma sick of trying
Em
Baby couldn t love me some more
          Am
Cause I m going out my head here, Darling
I m going out my head here, darling
I m going out my head here, darling

Here I am
Running up the seventh Floor
Knock on the eleventh door
Saying what I said before
