Silhouette (Piano Tapes)
Tom Odell

[Primeira Parte]

```
        A#
I keep waking at night in the freezing cold
Gm
Staring at the shadows coming up the walls
Cm                                    A#      F
Giving me a feeling I can t define

          A#
 Is there anyone there?  I say to the dark
Gm
But all I get back is a beating heart
Cm                                  A#      F
Going out of rhythm and I realize
```

[Pré-Refrão]

```
F#  C#          D#m
Oh, something s changed
F#  C#            F
Oh, something s changed
```

[Refrão]

```
            A#
It s just a silhouette, a flick in the blinds
            Gm
It s just a mind trick, I don t know why
        Cm                                A#        F
But it reminds me of someone that I used to know
            A#                            Gm
All that I can t forget, is every night right beside me
                        Cm
I open my eyes and it reminds me
                          A#    F
I should have never let you go
```

[Segunda Parte]

```
A#
Look up there don t you see her face
     Gm
That familiar heart, that familiar shape
Cm                                  A#    F
Are giving me a feeling, I can t define
```

[Pré-Refrão]

F# C#   D#m
Oh, something s changed
F# C#   F
Oh, something s changed

[Refrão]

           A#
It s just a silhouette, a flick in the blinds
           Gm
It s just a mind trick, I don t know why
        Cm   **A#   F**
But it reminds me of someone that I used to know
          A#   **Gm**
All that I can t forget, is every night right beside me
                       Cm
I open my eyes and it reminds me
                              A#   F
I should have never let you go

[Ponte]

D#
I wanna throw my arms around you
D#m
Tell everyone I found you
    Dm   **Gm**   **Cm**   **F**
But you re just a shadow in my mind

D#
You know you ve got me so enchanted
D#m
Why you gotta be cold-hearted
Dm   **Gm**   **Cm**   **F**
Dancing on your own in the cold streetlight

[Refrão]

           A#
It s just a silhouette, a flick in the blinds
           Gm
It s just a mind trick, I don t know why
        Cm   **A#   F**
