[Verse 1]

F **Am**
Sat on the rooftop
Cm **Bb**
Watching the birds flying free
F **Am**
Watching the clouds walk
Cm **Bb**
And watching the rain become the sea
F **Am**
Hearing my love talk
Cm **Bb** **C7***
Every breath she ever breathes
 Cm **Bb**
Like it was always supposed to be like that

F - Am - Cm - Bb x2

[Verse 2]

F **Am**
But then we broke up
Cm **Bb**
And she went west and I went east
F **Am**
She got a new boyfriend
Cm **Bb**
A little too soon if you re asking me
F **Am**
I heard that she loves him
Cm **Bb** **C7**
A litte bit more than she ll ever love me
 Cm **Bb**
And it was always supposed to be like that

F - Am - Cm - Bb x2

[Chorus]

Bb **F**
I look to the skyline
Cm **F**
And said how many falls until I fly
Bb **F**

Look to the old times and said

Cm **F**

How many wrongs until I m right

Bb **F**

And oh it s tough now

Cm **Bb**

Cause love always, love always is unkind

F - Am - Cm - Bb x2
