Getting Up Early - Tom Paxton

G **C** **G**
Getting up early to see the mist still kissing the land
Em **Am** **D**
I watch the sun rise the way the great creator planned
Bm **C** **G**
I walk along grass, I get my legs all covered in dew
D **G**
Getting up early, remembering you
D **G**
Getting up early, remembering you

Out in the meadow I see the cows beginning to graze
I watch the crow fly, I see the sun start burning the haze
These sunny mornings there s not a whole lot left to do
Getting up early, remembering you
Getting up early, remembering you

Chorus:

D **Em** **A**
How many times did we breathe the morning sun?
Em **A**
And send the stars off to bedtime one by one
G **D** **Em** **C** **Am**
We d sing Mister Tambourine man then
A **D**
Fall into each other s arms again

Getting up early these days I just can t stay in bed
I make the coffee, an old song runs around my head
Out on the backwoods I ve got a long day to get through
Getting up early, remembering you
Getting up early, remembering you

Repeat chorus and last verse.
