I know you re walkin down a lonely street

I know you can t get out of the heat
      B
Baby it s alright
           C#
Don t have a wasted life

I know you have to feel a little used up

And no- one can give you enough
       B
Baby hold on tight

          C#
Don t have a wasted life
  F#   **C#**
I love you too much

They give it to you from the time you re born

You keep tryin a make one more score
      B
Baby wrong or right
         C#
You gotta stand and fight

C#
So when you re lonely and you feel let down

```
You can call me I ll come around
        B
And treat you nice

                C#
Don t have a wasted life
