Rockin pretty steady till the sky went light  
And [E] didn t go to bed

So, [E] c mon baby let s go  
Don t you hear the rock n roll [B] playin on the radio  
Sound so right?  
[E] Girl your better grab hold

I m a [B] little bit crazy  
But I [E] know what I want  
I wanna it right now  
While the [F#] lectric guitars are playin way up loud
