That s what her momma did

But I don t know if she ever really
G
Could put up with it.
C G
Or maybe she sings in a nightclub
C G
Cause sometimes she used to sing
D
But I don t know if it ever
G G7
Amounted to anything.

But listen honey,
C G
Wherever you are tonight,
C G D
I wish you the best of everything, in the world
Em
And I hope you found
D G
Whatever you were looking for.

Yeah and it s over before you know it
It all goes by so fast
Yeah, the bad nights last forever
And the good nights don t ever seem to last

And man, we never had the real thing,
But sometimes we used to kiss
Back when we didn't understand,
What we were caught up in.

Wherever you are tonight,
I wish you the best of everything, in the world
And I hope you found
Whatever you were looking for.

Wherever you are tonight,
I wish you the best of everything, in the world
And I hope you found
Whatever you were looking for.

I've had no requests for this one - but I like it (aawww).
Hold your breath for some stuff off Damn the Torpedoes soon ...

Shaun.
