Tom Petty

Tab by: Pat Glander

Tuning: standard

this is my first tab ever and i noticed there wasnt the finger picking part of the song
so i thought id figure it out. the timing is not perfect so listen to the song.

Intro:

```
e |-----5-5-----|           X2
B |-----6--3-----6-----6-6-----|
G |-----5-----5-----3-----5-5-----|
D |-----|
A |-----|
E |-----|
```

Verses:

```
e |-----3-----3-----5-----5-----7-----7-----5-----5-----|
B |-----|
G |-----|
D |---5-----5-----5-----5-----5-----5-----5-----5-----|
A |--5-5-----5-----5-5-----5-----5-5-----5-----5-5-----5-----|
E |-----|
```

yea idk about the i give it up part. its just a cello playing a scale. you could put chords in there but i think continuing with the verse would sound better since most of song is finger picked.
