(Repeat Chorus to fade)

Even The Losers Tom Petty [Intro] [Verse] D A Well it was nearly summer, sat on your roof Yeah we smoked cigarettes and we stared at the moon G And I showed you stars you never could see Babe, it couldnÕt have been that easy to forget about me Baby time meant nothin $\tilde{\mathbf{A}}\bullet$ anything seemed real Yeah you could kiss like fire and you made me feel G Like every word you said was meant to be Babe, it $couldn\tilde{A} \cdot t$ have been that easy to forget about me [Chorus] Α Baby even the losers Α Get lucky sometimes A G Even the losers Keep a little bit of pride They get lucky sometimes (Solo, repeat chords as in verses 1&2) [Bridge] Asus4 Two cars parked on the overpass Asus4 Rocks hit the water like broken glass Asus4 Should have known right then it was too good to last ItÕs such a drag when you live in the past
