

## Flirting With Time

Tom Petty

Artist: Tom Petty

Song: Flirting With Time

Tabbed by Jason Dulac

**Em** **G**  
A coyote ran across the road  
**D** **Am**  
on the move without a home.  
**Em** **G** **D** **Am**  
A flash of light reminded me of you.  
**Em** **G**  
This could well be your last stand.  
**D** **Am**  
Hold the sunlight in your hand.  
**Em** **G** **D** **Am**  
Spread your fingers, feel the sand fall through.  
**C** **Am**  
I ve done all I can do.  
**C** **D**  
Now it s up to you.

**G** **C**  
You re flirting with time baby  
**G** **C**  
Flirting with time, but maybe,  
**Em** **D** **G**  
Time baby, is catching up with you.

**Em** **G**  
Shadowmen talk a real good game.  
**D** **Am**  
Every punchline has your name.  
**Em** **G** **D** **Am**  
You cried out and no one came to you.  
**C** **Am**  
I ve done all I can do.  
**C** **D**  
Now it s up to you.

**G** **C**  
You re flirting with time baby  
**G** **C**  
Flirting with time, but maybe,  
**Em** **D** **G**  
Time baby, is catching up with you.

**Em** **G**

Should be more to learn from this.

**D** **Am**

Can't say I know what it is.

**Em** **G** **D**

No difference tween a hit or miss, it's true.

**C** **Am**

I've done all I can do.

**C** **D**

Now it's up to you.

**G** **C**

You're flirting with time baby

**G** **C**

Flirting with time, but maybe,

**Em** **D** **G**

Time baby, is catching up with you.
