LYRICS:

They said love was a thing of the past
That these days nothing ever lasts
This whole world is moving too fast

Well, sometimes we ride around
She plays her radio up loud
If I was sad, well, I m happy now

Chorus:
And it feels so good to know
I got you where you belong
Here in my heart, right by my side
Honey you re getting me by
Yeah you re keeping me alive

I got a job, I work hard
These days money don t go very far
It s hard enough keeping gas in the car

But, sometimes we ride around
She plays her radio up loud

If I was sad, well, I m happy now

(Repeat Chorus) SOLO (same chords as verse) (Repeat Chorus)

Yeah, you re keeping me alive

(end) Yeah, you re keeping me ali-i-i-i-i-i-i-i-i-ive
