LOVE IS A LONG ROAD - Petty
=====

Intro: B AE E DA B DA E DA

B D A
There was a girl in town
E D A
She said she cared about me
B D A
She tried to make my world
E D A
The way she tought it should be
G D A
Yeah we were desperate then
G D
To have each other to hold
A B E B E
But love is a long, long road

There were so many times
I would wake up at noon
With my head spinning round
I would wait for the moon
And give her one more chance
To try and save my soul
But love is a long, long road

Yeah it was hard to give up
Some things are hard to let go
Somethings are never enough

I guess I only can hope
For maybe one more chance
To try and save my soul
But love is a long, long road
