One Story Town
(words & music by Tom Petty)

The intro is: B5* (the bass occasionally plays an A and hammers on a B note,
you can hear it in the song).

The intro riff is:

E	----- -----
B	----- -----7--
G	-9--8h9p8-- -----9--8-----
D	----- 7-----9-----
A	----- -----
E	----- -----

Please excuse the vulgar misinterpretations of the lyrics:

F#5

Yeah, I~ve been standing up

E5

I~ve been breaking free

F#5

E5

B5*

I don~t want fate handed down to me

F#5

Yeah, I~ve been moving on

E5

Try another town

F#5

Times ain~t changin~ nothing

E5

B5*

Take a look around

D5

A5

G5

I~m lost in a one story town

D5 **A5** **G5**
 Where everything~s close to the ground
 G5 **A5**
 Yeah, same shit goes down
G5 **A5**
 Nothing turns around
 G5 **A5** **B5***
 It~s a one story town

She was over seventeen when I held her to her word
 Had to push her luck
 Thought she couldn~t breathe
 No it didn~t hurt me when she had to leave
 She had a far away feeling
 Wasn~t part of me

I~m lost in a one story town
 Where everything~s close to the ground
 Yeah, same shit goes down
 Nothing turns around
 It~s a one story town

Instrumental: **A5, A5, A5....B5**

Yeah, I~m lost in a one story town
 Where everything~s close to the ground
 Yeah, same shit goes down
 Nothing turns around
 It~s a one story town

Ending: **B5***

Those high guitar parts for the chorus are:

X	Y
E -----17--14-----	-5h7p5-----8h10p8-
B -15-----15-----	-----
G -----16-----	-----
D -----	-----
A -----	-----
E -----	-----

-X- is played sometimes during the first half of the chorus and -Y- is played after that part where Petty sings -same shit goes down-.

I hope this has been help towards you.

Oh yeah! For the instrumental Mike s guitar just plays:

A -10--12--|
E -----|

And that s about it.
