

Square One

Tom Petty

[Intro] Gb

Ebm **Db**
Had to fight some higher ground
Ebm **Db**
Had some feel to deal around
B **Db**
You can't say what you don't know
B **Db**
Hit around and work no more
Ebm **Db**
Last time though I hit my tracks
Ebm **Db**
So why I could not get back
B **Db**
Yeah my way was hard to find
B **Db**
Can't sell your soul for peace of mind

B **Gb**
Square one, my slate is clear
B **Gb**
Rest your head and meet my dear
Db **B**
It took a world of trouble, it took a world of tears
Db **B** **Gb**
It took a long time to get back here

Ebm **Db**
Try so hard to stand along
Ebm **Db**
Struggle to see pass my nose
B **Db**
Always had more dogs and bones
B **Db**
I could never wear those clothes

Ebm **Db**
It's a dark victory
Ebm **Db**
You won and you're so lost
B **Db**
Told her you were satisfied
B **Db**
But you never came across

B **Gb**

Square one, my slate is clear

B **Gb**

Rest your head and meet my dear

Db **B**

It took a world of trouble, it took a world of tears

It took a long time to get back here
