Subject: CRD: Waiting for Tonight - Tom Petty and the Heartbreakers

WAITING FOR TONIGHT by Tom Petty and the Heartbreakers

CHORDS:

Verse and Chorus: **F#m/E/D//**

Pre-chorus: **E//D//**

Bridge: **G D/D/A**

LYRICS:

I went walking down the boulevard
Past the skateboards and the beggars
I started looking in the windows
Just started walking letting my mind roam

If she hung around too much I might take her for granted
But when I was away she seemed an angel
The only one who really cared about me
The only one without an angle

Pre-chorus:

For so long I've been lonely
Now I'm too weak to fight

Chorus:

I've been waiting for tonight (Goodnight my love)
I've been waiting for tonight (Sleep tight my love)

Yes and I had a little time to kill
Yeah as I crossed the parking lot
And I was feeling lucky just to have a place to go
Yeah my nerves were feeling shot

Pre-chorus:

For so long I ve been weary
There was no end in sight

- Repeat Chorus -

Bridge:

Oh and I ve been waiting round (oh-oh-oh)
For a night like this (yeah-ah-ah)
Yeah I felt it coming down (coming down)
Since out first kiss

SOLO

(Goodnight my love)

Yeah and I m wrestling with my overcoat
Yeah and I m fighting with my thoughts
Yeah I m gonna trust my intuition
I m gonna hope I don t get lost

Pre-chorus:

For some time I ve been lonely
I ve been too weak to fight

- Repeat Chorus x2 -

(Goodnight my love)
(Sleep tight my love)
(Goodnight my love)
(Sleep tight my love)
