[Bm] [G] [Bm] [G] [Bm] [G]

[A] All down the street they re [E] standin in line  
with [Bm] white lipstick and one [E] thing on their mind  
[A] Hey little freak with the [E] lunch pail purse  
[Bm] Underneath the paint you re [D] just a little girl

[E] Dancin at the [F#m] Zombie [D] Zoo,  
[E] dancin at the [F#m] Zombie [A] Zoo  
[E] Painted in a [F#m] corner and [D] all you wanna do  
Is [E] dance down at the Zombie [A] Zoo [D] [A]

[A] Cute little dropout, how [E] come you pack a rod  
Is your [Bm] mother in a clinic? has your [E] father got no job?  
Some-[A]-times you re so impulsive,  
You [E] shaved off all your hair  
You [Bm] look like Boris Karloff and [D] you don t even care

[E] Dancin at the [F#m] Zombie [D] Zoo,  
[E] dancin at the [F#m] Zombie [A] Zoo  
[E] Painted in a [F#m] corner and [D] all you wanna do  
Is [E] dance down at the Zombie [A] Zoo [D] [A]

She [E] disappears at sunrise, I wonder where  
She goes until  
The [F#m] night comes [E] fallin down again she shows  
Up with her friends half-[F#m]-alive [D]

[E] Dancin at the [F#m] Zombie [D] Zoo,  
[E] dancin at the [F#m] Zombie [A] Zoo

You can make a big impression or  
Go through life unseen  
You might wind up restricted and over seventeen  
It s so hard to be careful, so easy to be led  
Somewhere beyond the pavement  
You ll find the living dead
