C Em7
Today was just a day
Am7 Em4
And you dealt with it okay
F C
But tomorrow is a boy who needs to run

C Em7
You ve seen it all before
Am7 Em4
And you ve knocked on all the doors
F C
But tomorrow is a funny looking one

C Em7 Am7 Em4
Oh everything is about to change
F C
But I say bring it closer to me

C Em7
Oh it s coming soon but
Am7 Em4
Like the spinning of the moon
F C
In truth it is already happening

C Em7
Think back to the start
Am7 Em4

When we sang with bolder hearts
F C
And the darkness wasn't even bothering

C Em7 Am7 Em4
Oh everything is about to change
F C
But I say bring it closer to me

C Em7
Bring the storms and the blows
Am7 Em4
And everything it knows
F C
And I say bring it closer to me

C Em7 Am7 Em4 F C
Soon soon
C Em7 Am7 Em4 F C
Soon soon

C Em7
Hope it was bird
Am7 Em4
That flew til it was heard
F C
And landed in a corner of a mind

C Em7
Oh I'll get what I will get
Am7 Em4
And we ain't seen nothing yet
F C
And no one has ever glanced the other side

C Em7 Am7 Em4
Oh everything is about to change
F C
But I say bring it closer to me

C Em7
Bring the time and the space
Am7 Em4
And the lost forgotten place
F C
And I say bring it closer to me

C Em7
Today was just a day
Am7 Em4
And you dealt with it okay
F C
