Winnipeg
========
by: The Tom Russell Band
written by: Tom Russell - Frontera Music

C
How s the weather in Winnipeg?
C
The broke down nags with the bandaged legs
C Dm
At Assinaboa Downs
Dm
The night we painted the town
Dm   C
A dark, dark blue
C
Stolen thunder in Thunder Bay
C
Woke up knowin that we came the wrong way
C   Dm
So we turned it all around
Dm
To the cold hard sound
Dm   C
The turnin of the gears
C   Dm
To the blood hard sound
Dm   C
The turnin of the years

Chorus:

F   G   C   F
I was thinkin of you last night

```
F           G           C       F
North of the border and the Northern Lights
F           G           C       F
One horse town with the Indian name
      Em                            Am
And all the gentle words, I could never say
       F                         G               C   F   C   F
Love shines in the night, in the morning its gone away

C
Cup of coffee in old Moose Jaw
C
Used to be the hideout of a bad outlaw
C        Dm
Named Al Capone
Dm
His fedora on
Dm                      C
Walkin  through the snow
C
We headed west, then it all broke up
C
Skull-Smashed-In-Buffalo-Jump
Dm
Rockin  and a reelin
Dm
That old buffalo feelin
Dm                      C
Of fallin  through the air
C    Dm
And never really knowin  how the hell
Dm          C
We ended up there

Repeat Chorus

C
How s the weather in Winnipeg?
C
When the ice melts
C
On the first of May
C           Dm
On those desolate streets
Dm
One old Sikh
Dm                  C
In  a powder blue cab
C           Dm
Is there an Indian name
Dm                              C
```

For the love and the trouble we ve had...?

Repeat Chorus
